

FMSTP FEES AND FUNDING STRUCTURE:

Rules Regarding Tuition fees

All fees are payable by the end of each quarter.

The Ministry of Health support to LeBoHA only partially covers the costs associated with teaching and learning. All applicants are responsible for payment of the application fee, annual registration fee and annual tuition fees. Tuition fees are subsidized based upon practice within the public health system and nationality as outlined in the fee structure below.

Amendments

All the program fee amendments are determined by the LeBoHA Management, which may amend them at any time, no more frequently than once a year. The amended amount will be payable on request but will not be retroactive.
